Our Mission:

The Cultural Arts Alliance of Hopkinton is a non-profit organization dedicated to creating an alliance between the art and the community by providing individual and shared forums for artistic expression, viewers enjoyment, arts education, and community enrichment.

Project Overview

Treasure the Earth is a public art project that will provide the opportunity for all people -artists, students, groups- to come together to express their concern about the delicate state of our planet today.

Participants will design and create a large rectangular panel (52" x 78") that contains their message for what we can do to better our planet. We will assemble the panels into a number of larger patchwork panel strips. We will hang these panels on an old wooden grain silo that is located at our facility.

Eligibility

This project is open to everyone. All works are subject to final acceptance by the Cultural Arts Alliance of Hopkinton, Inc. (CAA) based on content and appropriateness.

Submission Requirements

Panels need to be 54" wide by 72" long. **Panels will hang vertically.** Panels need to be created from recycled materials. Panels must be sturdy enough to remain outside for a few months. **The CAA has appropriately sized pieces of recycled billboard vinyl you can use as a base for your panel. Call the CAA at 508-435-9222 or email info@caahopkinton.org to get a panel.**

How to Enter

Entrants must notify the CAA at info@caahopkinton.org of intent to enter by April 1, 2010. All completed panels need to be delivered to the CAA by May 15, 2010. The project is scheduled to go up the beginning of June.

Artist's Statement

We encourage all participants to include with their panel submittal a statement about their panel. Why they chose the theme, what materials were used, the time it took to make it. We would also like a photograph of the artist (s).
