Purchase a Quilt Square to Benefit the Restoration of the CAA Barn

Join us in a 21st century “barn raising”. Historically, during a barn raising, members of the community worked together to build the barn. Quilting bees were also a common community gathering. We are combining these two traditions to create a community quilt that will help “raise” the Cultural Arts Alliance barn, creating a vibrant space for performances, art shows and community functions. The finished quilt will be on permanent display in the restored barn.

You can help by purchasing a *Sawtooth Star* quilt square. To commemorate this community endeavor, we invite you to customize the center of your square with a personal message or the name of your family, business, organization, etc. Order form and actual size square are shown below.
